Application Guidelines

Palo Alto University

Bachelor of Science Degree Programs

Dear Applicant,

Thank you for your interest in Palo Alto University's (PAU) Bachelor of Science Degree Programs. PAU offers two Bachelor degree programs: the Psychology and Social Action degree at De Anza College and the Business Psychology degree at Foothill College. Please specify below which program you are applying to. Should you have questions regarding the Program or this application process please feel free to contact the PAU Admissions Office toll free at (800) 818-6136.

Application Fee

A nonrefundable application fee of \$40.00 must accompany your completed application. Checks or money orders should be made payable to "PAU".

Official Transcripts

Transcripts from all postsecondary institutions attended, even if a degree was not awarded, must be sent along with your application. Only official, sealed transcripts obtained from the Registrar's office of each of these institutions are acceptable. You may submit unofficial transcripts with your application, however, admissions decisions based on unofficial transcripts will only be provisional until official transcripts are received.

Statement of Purpose

Along with your application, please include a 1-3 page typed statement of purpose written around the theme: *"You must be the change you wish to see in the world"* (Mahatma Gandhi). For the BS in Psychology and Social Action program, what changes do you wish to see in the world and how will a program dedicated to "The science of social action in a global community" help you achieve your personal goals? Please explain what those goals are? For the BS in Business Psychology program, describe what changes you would like to see in the work place? How will a degree in Business Psychology help you to achieve your personal and professional goals? Please explain what those goals are.

References

Please provide the name and contact information for one individual or professor who is able to speak to your academic ability and your potential for success in the PAU Bachelor of Science Degree Programs.
