APPLICATION GUIDELINES

Dear Applicant,

Thank you for your interest in Palo Alto University's (PAU) Bachelor of Science Degree Programs. PAU offers two Bachelor degree programs: a B.S. in Psychology and Social Action and a B.S. in Business Psychology. Please specify which program you are applying to. Should you have questions regarding the program or this application process, please feel free to contact the PAU Admissions Office toll free at (800) 818-6136.

APPLICATION FEE

A nonrefundable application fee of \$40.00 must accompany your completed application. Checks or money orders should be made payable to "PAU".

OFFICIAL TRANSCRIPTS

Transcripts from all postsecondary institutions attended, even if a degree was not awarded, must be submitted along with your application. Only official, sealed transcripts obtained from the Registrar's office from each of these institutions are acceptable. You may submit unofficial transcripts with your application, however, admissions decisions based on unofficial transcripts will only be provisional until official transcripts are received.

STATEMENT OF PURPOSE

Along with your application, please include a 1-3 page typed personal statement about your background and interests and describing how a Palo Alto University degree will help you achieve your educational and professional goals.

For the Psychology and Social Action Program

The Psychology and Social Action program studies human behavior and the science of social action in a global community. What are your educational and professional goals, and how do you believe that such a program will help you achieve those?

For the Business Psychology Program

Describe the challenges you see for managers and employees in the modern work place. How will a degree in Business Psychology help you to achieve your personal and professional goals in the modern work place? Please explain what those goals are.

REFERENCES

Please provide the name and contact information for one individual or professor who is able to speak to your academic ability and your potential for success in the PAU Bachelor of Science Degree Programs.
