

October '23

The Alumni Relations Office will periodically provide relevant job postings that may be of interest to PAU alumni. We encourage you to submit any openings you may have. Please note that a job posting is not an endorsement of the position by Palo Alto University, its Alumni Association, or any representative of the institution. These postings are generous contributions from our community, but have not been fully vetted by PAU.

--

Burlingame and Oakland, CA

Employer: [Sutter Health](#)

Posting: [Neuropsychologist](#)
[Neuropsychologist - Inpatient Acute Rehabilitation](#)

Introduction: Sutter Health values and supports the unique talents and strengths that each employee brings to our organization. As a result, you are empowered to apply your passion for healing in innovative ways to care for patients and their families.

--

Lompoc, CA

Employer: [Santa Barbara County Public Health Department](#)

Posting: [Behavioral Health Specialist](#)

Introduction: The Behavioral Health Specialist (BHS) is embedded within the primary care clinic of Public Health. The BHS clinician provides brief, evidence-based mental health and behavioral interventions to support patients in addressing behaviors that impact health within the primary care setting; they provide education and develop behavioral change plans for patients; and maintain an active presence on the primary care team.

Under general direction, the Behavioral Health Specialist works alongside the multidisciplinary team to identify, triage, and manage patients who have both medical and behavioral health problems. This position provides screening, brief mental health treatment, behavioral interventions, education, referrals and linkage to support patients; consults with staff and management; and performs related duties as requested.

--

Los Angeles, CA

Employer: [David Geffen School of Medicine at UCLA](#)

Posting: [Clinical/Counseling Psychology Postdoctoral Fellowship Program](#)

Introduction: This is a newly-funded one-year and fulltime postdoctoral clinical/counseling psychology fellowship program currently recruiting several pre-licensed individuals who are seeking advanced training in evidence-based treatment for mental health conditions that commonly present within interdisciplinary community settings (including substance use). The patient populations will consist of adult and adolescent patients/clients within settings that include traditional outpatient therapy settings, an innovative youth drop-in setting, and a substance use residential treatment/intensive outpatient program (IOP). Applicants should possess (or be near completion of) a PhD/PsyD in clinical or counseling psychology. Each fellow will rotate through multiple clinic locations to gain the full breadth of therapeutic modalities among a diversity of Los Angeles populations served by UCLA Health and its affiliates.

Los Angeles and Orange County, CA – Remote Positions Available

Employer: [Crossroads Institute](#)

Posting: [Licensed Psychologists and Psychological Associates](#)

Introduction: Crossroads Institute for Psychotherapy and Assessment, a private practice with locations in Irvine, Torrance, West Los Angeles, and Downtown Los Angeles, is seeking full-time licensed psychologists and post-doctoral psychological associates due to recent expansion.

For Licensed Psychologists, both remote and local positions are available. Solely telehealth, in-office, and blended arrangements can be made. We are especially interested in candidates who could provide supervision to our post-doctoral psychological associates.

For Post-doctoral Psychological Associates, both remote and local positions are available. Solely telehealth, in-office, and blended arrangements can be made. Start date would be based upon successful registration as a post-doctoral psychological associate with the CA Board of Psychology. Along with individual and group supervision, there is didactic training, a process group designed specifically to support our psychological associates, an EPPP/CPLPEE study group, and other professional development opportunities.

Redwood City, CA - Hybrid

Employer: [Ellie Mental Health](#)

Posting: [Outpatient Mental Health Therapist](#)

Introduction: As an Outpatient Therapist at Ellie Mental Health in Redwood City, CA, you'll share our vision for improving and expanding access to quality mental health care and thrive in an environment driven by our core values of authenticity, humor, compassion, creativity, acceptance, and determination.

Ellie was proudly founded on the principle of destigmatizing mental health. The mental health industry is full of barriers, and we've made it our goal to fill the gap and find innovative ways to break down these barriers for the communities we serve.

--

San Rafael, CA - Hybrid

Employer: [Kaiser Permanente](#)

Posting: [Behavioral Medicine Specialist Licensed Masters Mental Health Professional](#)

Can also be reworked to a doctoral level position.

Introduction: We offer a mental health environment that's unique both in the way we treat our patients and in the way we support our health care professionals. Here, we practice evidence-based care in a team setting that's focused on the needs of the individual, the family and the population as a whole. This gives your patients the opportunity to work towards achieving their physical, mental, and behavioral health goals. On our teams, we hold social justice as a shared value and are committed to addressing and eliminating stigma associated with mental health and addiction.

In a Consultant-Liaison role, evaluates and diagnosis Health Plan members seen in primary care who have mental disorders or behavioral conditions that affect or are a consequence of their medical condition.

--

Sunnyvale, CA - Hybrid

Employer: [SF Bay Therapist Group](#)

Posting: [Licensed and Associate Therapists](#)

Introduction: We are looking for clinical therapist to see at least 15 clients and potentially see 25+ clients. The position allows for hybrid flexibility i.e. in-person and video sessions can be conducted.

--

Walnut Creek, CA - Hybrid

Employer: [Center for Modern Therapy](#)

Posting: [Psychological Associate](#)

Introduction: We're excited to be hiring a Psychological Associate to be part of our group practice, Center for Modern Therapy. Our practice offers a supportive, collaborative, and welcoming environment for clinicians. At Center for Modern Therapy we see each individual as unique and tailor treatment to meet each client's needs. We offer therapy services to individuals of all ages, couples, and families. Sessions are both in person and virtual. Theoretically we lean towards psychodynamic and relational conceptualizations, while also using an integrative approach including, but not limited to CBT, EFT, DBT, ACT, and IFS. The primary supervisors have over two and a half decades of experience combined in private practice, each with different patient specialties. Post-docs will receive specialized training in the following: Eating Disorders, Couples Therapy, Mood Disorders, and Adolescent Mental Health. As a Psychological Associate at Center for Modern Therapy you will receive the supervision requirement for licensure.

*Must be Post-Doctoral Level

*Must be able to commit to a minimum of 15 clinical (patient) hours per week.

*Hiring for positions starting in 2024

*Paid for clinical hours

*Virtual and In-Office Sessions
