The Alumni Relations Office will periodically provide relevant job postings that may be of interest to PAU alumni. We encourage you to submit any openings you may have. Please note that a job posting is not an endorsement of the position by Palo Alto University, its Alumni Association, or any representative of the institution. These postings are generous contributions from our community, but have not been fully vetted by PAU.

Los Angeles, CA

Employer: [David Geffen School of Medicine at UCLA](#)

Posting: [Clinical/Counseling Psychology Postdoctoral Fellowship Program](#)

Introduction: This is a newly-funded one-year and fulltime postdoctoral clinical/counseling psychology fellowship program currently recruiting several pre-licensed individuals who are seeking advanced training in evidence-based treatment for mental health conditions that commonly present within interdisciplinary community settings (including substance use). The patient populations will consist of adult and adolescent patients/clients within settings that include traditional outpatient therapy settings, an innovative youth drop-in setting, and a substance use residential treatment/intensive outpatient program (IOP). Applicants should possess (or be near completion of) a PhD/PsyD in clinical or counseling psychology. Each fellow will rotate through multiple clinic locations to gain the full breadth of therapeutic modalities among a diversity of Los Angeles populations served by UCLA Health and its affiliates.
