

*February 2024*

The Alumni Relations Office will periodically provide relevant job postings that may be of interest to PAU alumni. We encourage you to submit any openings you may have. Please note that a job posting is not an endorsement of the position by Palo Alto University, its Alumni Association, or any representative of the institution. These postings are generous contributions from our community, but have not been fully vetted by PAU.

### National

**Employer:** [American Psychological Association](#)

**Posting:** [LEAP for Diverse Scholars](#)

**Introduction:** The Leadership and Education Advancement Program (LEAP) for Diverse Scholars is an evidence-informed mentoring and leadership development program for early career behavioral scientists from underrepresented racial and ethnic populations. These early career scientists perform research related to the National Institute of Diabetes and Digestive Kidney Diseases (NIDDK) mission. LEAP prepares fellows to submit a high-quality National Institutes of Health or foundation grant application, supports their research and career development, and connects fellows to a network of senior researchers in a variety of academic settings and leadership positions.

Qualifications

- PhD in psychology or equivalent, postdoctoral training in psychology or equivalent, and licensed to practice psychology in California at the time of appointment
- Demonstrated clinical, educational, and administrative skills with a strong commitment to an academic career as a clinician-educator
- Demonstrated cultural competence in working with underserved and culturally diverse populations
- Applicant's materials must list (pending) qualifications upon application submission
- Applicants must meet all of the requirements by the time of hire

**Employer:** [Sutter Health CPMC](#)

**Posting:** [Postdoctoral Fellowship in Clinical Health Psychology](#)

**Introduction:** California Pacific Medical Center (CPMC) is seeking applicants to our Post-Doctoral Fellowship in Clinical Health Psychology for the 2024-2025 training year. We have one-year, full-time positions available that meet all California post-doctoral training licensing requirements and provide a competitive salary with a generous benefits package. As part of the Department of Psychiatry, our Health Psychology Fellowship emphasizes advanced training in providing a wide range of psychological services to a diverse group of patients within well-established interdisciplinary healthcare programs.

We currently offer SPECIALIZATION TRACKS in two areas:

**Psycho-Oncology Track** emphasizes a year-long focus on close collaboration with our cancer teams to support patients and their families

**Women's Mental Health Track** includes a year-long focus on providing integrated care within our obstetrics programs and the treatment of perinatal mood and anxiety disorders. Optional rotations in our cancer and other clinics are available.

—

**San Jose, CA**

**Employer:** [AACI](#)

**Posting:** [Psychological Assessment Clinical Supervisor](#)
