

July 2025

The Alumni Relations Office will periodically provide relevant job postings that may be of interest to PAU alumni. We encourage you to submit any openings you may have. Please note that a job posting is not an endorsement of the position by Palo Alto University, its Alumni Association, or any representative of the institution. These postings are generous contributions from our community but have not been fully vetted by PAU.

Battle Creek, MI

Employer: [VA Battle Creek Health Care](#)

Posting: [Psychologist-Neuropsychologist \(EDRP Approved\)](#)

Introduction: The Battle Creek VA Medical Center is hiring a Neuropsychologist to serve in the Psychology Service assisting Veterans. The main responsibilities include, conducting mental disorders diagnoses, psychological assessments, treating mental disorders, and providing adjunctive interventions for treatment of medical disorders. Education Debt Reduction Program (Student Loan Repayment) approved. Work Schedule: Monday-Friday 8:00am-4:30pm (only in-person). Jeremy.Bottoms@va.gov and Jessica.kinkela@va.gov are happy to answer questions.

Dallas, TX

Employer: [UT Southwestern Medical Center](#)

Posting: [Clinical Neuropsychologist – Outpatient Neuropsychology Service](#)

Introduction: We are seeking a candidate who espouses a flexible approach to assessment and is experienced in working with adults with a range of neurocognitive disorders. Responsibilities include provision of clinical neuropsychological assessment and consultation services, development and implementation of intervention strategies, supervision of pre- and post-doctoral trainees, and participation in the overall academic mission, with opportunities for involvement in our APA accredited doctoral program in Clinical Psychology.

Requirements include ABPP/CN-eligible postdoctoral training in clinical neuropsychology. Preference will be given to board certified clinicians experienced with movement disorders, dementia, multiple sclerosis, brain injury, stroke, and epilepsy, as well as neuropsychiatric presentations and complex medical disorders. While Texas licensure is not required for consideration or selection, it is a pre-requisite for starting in the position. For more information, please contact Laura Lacritz, PhD, ABPP-CN at Laura.lacritz@utsouthwestern.edu
