

January '23 PAU Alumni Careers Digest

The Alumni Relations Office will periodically provide relevant job postings that may be of interest to PAU alumni. We encourage you to submit any openings you may have. Please note that a job posting is not an endorsement of the position by Palo Alto University, its Alumni Association, or any representative of the institution. These postings are generous contributions from our community, but have not been fully vetted by PAU.

Alameda, CA

Employer: [Alameda Health System](#)

Posting: Neuropsychologist (Half-time)

Introduction: Provides complete and appropriate neuropsychological consultation for a wide variety of neurological, psychiatric, and general medical/surgical adult patients. Please contact Richard Espinoza at Raespinoza@alamedahealthsystem.org with interest and inquiries.

Berkeley, CA

Employer: [Supportiv](#)

Posting: [Senior Director of Clinical Oversight](#)

Introduction: *Supportiv, the peer support network that has served over 1 million users, is seeking a Doctorate-level mental health provider (Master's acceptable) with client-facing experience and an interest in data analysis.*

Society needs ever more mental health support, but there is a clinician shortage. Supportiv's subclinical, on-demand, moderator-led, fully synchronous peer-to-peer support group chats help fill that gap, especially for historically underserved populations who've been reluctant to engage in the traditional mental health care system. This role is a chance to extend your clinical expertise at scale, serving millions.

You'll Be Involved In:

- Clinical oversight of Supportiv's peer support moderator community to improve training programs and drive skill-building for the moderators who facilitate and safeguard the peer-to-peer platform user conversations
- Product input to help constantly improve Supportiv's user experience with an eye on clinical-grade outcomes measurements
- Publishing data, research, and thought leadership on user outcomes
- Editorial oversight and input on Supportiv's psycho-education and self-help resource creation and curation
- Serving as the clinical voice in key enterprise client meetings

Boulder, CO

Employer: [Kairos Wellness Collective](#)

Posting: [Licensed Professional Counselor](#)

Introduction: Kairos Wellness Collective is a rapidly growing holistic clinic that specializes in treating Obsessive Compulsive Disorder and other Anxiety Disorders.

Our Center values exceptional client service offering constantly-evolving best-practice, scientifically-backed treatment for OCD and GAD, integrity, a collaborative team atmosphere, continual personal and professional growth, innovation and the willingness to step outside of one's comfort zone to try new methodologies, professionalism, and contributing to a warm environment that clinicians and clients alike enjoy coming to!

California – Remote

Employer: [Little Otter](#)

Posting: [Mental Health Therapist](#)

Introduction: Little Otter was co-founded by Rebecca Egger & Dr. Helen Egger. Dr. Egger is a child psychiatrist, epidemiologist, and digital health researcher. She is pioneer in the field of early childhood mental health. Before co-founding Little Otter, she served as Chair of the Department of Child and Adolescent Psychiatry and Director of the Child Study Center at NYU

Langone Health & Division Chief for Child Psychiatry at Duke University School of Medicine. At Little Otter she is Chief Medical & Scientific Officer. Please read more about Dr. Egger [here!](#)

The Role - We are looking for mental health providers who want to build a new way of delivering high-quality, evidence-based mental health care because they are dissatisfied with the status quo. We want providers who are excited to work at an early-stage startup and impact the way we provide exceptional virtual mental healthcare to children and families.

Los Gatos, CA

Employer: [Pacific Clinics](#)

Posting: [Occupational Therapist](#)

Introduction: Pacific Clinics is California's largest community-based nonprofit provider of behavioral and mental health services and supports. Our team of more than 2,000 employees speak 22 languages and are dedicated to offering hope and unlocking the full potential of individuals and families through culturally responsive, trauma-informed, research-based services for individuals and families from birth to older adults. The person in this role provides assessment and related developmental and psychosocial services to youth and their families by engaging and partnering with parents/caregivers so that they can meet the developmental needs of a youth. This position will be part of a multi-disciplinary team.

Palo Alto, CA

Employer: [Palo Alto University](#)

Posting: [Clinical Supervisor \(Sexual and Gender Identities Clinic\) *Part-Time*](#)

Introduction: Under the direction of the Gronowski Center Director and the Sexual and Gender Identities Clinic (SGIC), the supervisor provides ethical, multi-culturally competent, compassionate, and up to date empirically validated supervision and training for the Ph.D. and Psy.D. students. This position prepares students to be professional, competent, ethical, culturally sensitive, and skilled providers of psychotherapy, with a particular focus on working with sexual and gender minority clients.

This position requires a strong commitment to empirically supported clinical practices, a strong knowledge of, an adherence to, the APA ethics code, HIPAA, and State and Federal laws governing the practice of psychotherapy.

Palo Alto, CA/San Jose, CA

Employer: [Children's Health Council \(CHC\)](#)

Posting: Multiple Positions Below

Introduction: At CHC, we believe in the promise and potential of every child, teen and young adult. Our mission is to transform young lives by providing culturally responsive best-in-class learning and mental health services to families from diverse backgrounds regardless of language, location or ability to pay. We specialize in ADHD, Learning Differences, Anxiety & Depression and Autism.

With our Clinical Services multiple partnerships with Stanford University Behavioral Health department, you'll have the opportunity to work alongside some of the top mental health professionals in Silicon Valley.

- [Young Child Therapist](#)
- [Neuropsychologist](#)
- [Staff Psychologist](#)
- [Adolescent Dialectical Behavior Therapy \(DBT\) Therapist](#)
- [Child/Adolescent Eating Disorder Therapist \(Ph.D./Psy.D. or LPCC/LMFT/LCSW\)](#)
- [Child and Adolescent Therapist](#)

San Jose, CA

Employer: [AACI](#)

Posting: [Licenses Asylee and Refugee Counselor](#)

Introduction: Are you looking to support local refugees and asylees? AACI's Center for Survivors of Torture (CST) is one part of a larger global consortium of 30 plus members supporting survivors of torture. This program works on a local and national level, educating and advocating nationwide for our clients. Our clients come from all over the world speaking many languages. With our staff speaking over 40 languages and utilizing the Language Line we are able to support clients in their language. AACI provides ongoing training and wellness activities, supporting not just our clients, but our staff as well.

San Mateo, CA

Employer: [San Mateo County](#)

Posting: Bilingual Forensic Interviewer (Part-Time)

Introduction: The Bilingual Child Forensic Interview Specialist (FIS) is responsible for conducting legally sound, developmentally and culturally appropriate interviews of children and teens who are suspected victims or witnesses to child abuse or neglect or other crimes referred to San Mateo County's Child Advocacy Center (CAC). Attendance at regular peer review is required; attendance at monthly case review is encouraged. Attendance at other meetings or trainings may be requested as part of the scope of work. The FIS is part of a multidisciplinary

team (MDT) and works collaboratively with partner agencies. This position is 8-15 hours per week. Hourly rate: \$60-70/hour depending on experience.

Interested candidates should forward a cover letter and resume to Miriam Wolf at mwolf@smcgov.org

Torrance, CA

Employer: [Dynamic Psychotherapy Center](#)

Posting: MFT Associate or Psychological Associate

Dynamic Psychotherapy Center Inc. is seeking to hire an MFT Associate or Psychological Associate who is invested in a long-term career with our growing team. We are looking for a warm, passionate, and compassionate clinician who values both being a part of a therapeutic community as well as working independently. The ideal candidate is energized by doing clinical work and practices from an in-depth psychotherapy perspective. The therapist will build up to a caseload of at least 25 clients per week and will provide mental health assessment, diagnosis, and psychotherapy to a culturally diverse clientele. Most of the services will be provided virtually, with the possibility of in-person sessions.

Interested candidates may submit their resume and cover letter to info@dynamicpsychotherapycenter.com

Walnut Creek, CA

Employer: [Center for Modern Therapy](#)

Position: Psychological Associate

Introduction: We're excited to be hiring a Psychological Associate to be part of our group practice, Center for

Modern Therapy. Our practice offers a supportive, collaborative, and welcoming environment for clinicians. At Center for Modern Therapy we see each individual as unique and tailor treatment to meet each client's needs. We offer individual, couples and adolescent therapy. All

sessions are currently conducted virtually but will transition to a hybrid model once safe to return to in-person work. Theoretically we lean towards PSYCHODYNAMIC & RELATIONAL conceptualizations while also using an integrative approach including but not limited to CBT, EFT, DBT, ACT, and IFS.

Our practice is designed to create a learning and growth environment for all, a place where you can build relationships, learn about private and group practice, have a variety of clients, and connect with other clinicians. Please check out our website for additional information.

*Must be Post-Doctoral Level

*Must be able to commit to a minimum of 15 clinical (patient) hours per week.

*Hiring for immediate and future positions

*Paid position for clinical hours

Washington State

Employer: [Western State Hospital](#)

Posting: [Psychologist in Training](#)

Introduction: Psychologist positions are open in the forensic center at Western State Hospital. We are able to hire people directly out of grad school as a psychologist in training, which provides individuals up to a year to get licensed in the state of Washington. Western State Hospital psychologists have a high degree of autonomy, flexible scheduling including telework (with limitations), free CEUs throughout the year, and so much more. For more information, please contact Chloe Corcoran at ccorcoran@palloaltou.edu.
