

March '23 PAU Alumni Careers Digest

The Alumni Relations Office will periodically provide relevant job postings that may be of interest to PAU alumni. We encourage you to submit any openings you may have. Please note that a job posting is not an endorsement of the position by Palo Alto University, its Alumni Association, or any representative of the institution. These postings are generous contributions from our community, but have not been fully vetted by PAU.

Berkeley, CA

Employer: [Jewish Family & Community Services – East Bay](#)

Posting: [Child & Adolescent Mental Health Clinician](#)

Introduction: JFCS East Bay is seeking a Mental Health Clinician who is passionate about providing treatment to our youngest children and their families with respect, clinical excellence, and an ongoing commitment to cultural humility. Preferred experience would be with Birth to 8 years old, and early school age.

Under the supervision of the Senior Program Manager, the Mental Health Clinician will use a relationship-based model to provide parent-infant, child mental health services primarily in Oakland but throughout Alameda County. As part of a multidisciplinary team, the Mental Health Clinician will work closely with a clinical supervisor and family partner to conduct observations and therapy in the child's home, preschool, or at the JFCS East Bay offices. This position may also include mental health consultation to teachers in the preschools.

Employer: [The Wright Institute](#)

Posting: [Field Placement Advisor](#)

Introduction: The Field Placement Advisor will support Counseling Program students in their field placements and applications for associateships and will provide general assistance to the Director of Field Placement. The primary responsibility of this position is to support students in their efforts to become licensed as MFTs or PCCs by helping them secure practicum and

associate placements, and conveying accurate and up to date information about California licensing rules and regulations.

Employer: [The Wright Institute](#)

Posting: [Counseling Program Adjunct Faculty](#)

Introduction: The Wright Institute's MA Counseling Program is seeking qualified applicants for adjunct faculty positions for the following courses in our daytime and weekend programs: Clinical Assessment and Measures, Community Mental Health, and Couples Counseling. Please email Cady Watts at cwatts@wi.edu for more information, questions.

Colorado – Multiple Office Locations

Employer: [Momentum Counseling & Consulting](#)

Posting: [Multiple Postings for Various Education Levels](#)

Introduction: If you want to be surrounded by clinicians who are dedicated to their work and personal growth while practicing independently, then Momentum Counseling and Consulting is the place for you! We are looking for individuals who have a passion for counseling and enjoy working in a collaborative and cohesive team environment. We are hiring kind, motivated pre-licensed and licensed therapists. We are also looking for practicum students and interns to join our practice. This position can be fully remote, hybrid or in-person at one (or several) of our locations in Fort Collins, Boulder, Denver, Broomfield, Greenwood Village, Englewood and Colorado Springs.

Livermore, CA

Employer: City of Livermore

Posting: [Family Therapist](#)

Introduction: Under general supervision, the Family Therapist provides crisis intervention and individual, family, and group therapy for families of minors of the Tri-Valley; and performs other duties as assigned.

Distinguishing Characteristics - The Family Therapist is distinguished from the Youth Services Case Coordinator in that the latter is field community oriented and does not require a professional California licensure as a Marriage and Family Therapist (M.F.T.), Licensed Clinical Social Worker (L.C.S.W.) or Clinical Psychologist. The Family Therapist is further distinguished from the Youth & Family Services Manager - Clinical in that the latter manager provides oversight and clinical supervision of staff and functions of the Horizons Youth and Family Services Program.

Mountain View, CA

Employer: [ICAN](#)

Posting: [BCBA Clinical Supervisor](#)

[Behavior Technician](#)

Introduction: About ICAN - ICAN stands for Intervention Center For Autism Needs. Our amazing facility is located in the heart of Silicon Valley in Mountain View, CA. At ICAN, we mainly rely on “research”. Our different treatment models are based on the newest research findings and discoveries in the field of autism.

We provide in-home and Center-based ABA therapy, Speech Therapy, Occupational Therapy, Marriage and Family Therapy for parents and siblings of children with autism, as well as feeding, diet, and nutrition consultations.

Please submit your resume with the job title you’re applying for to patricia@icanautism.com.

Employer: [Feeling Good Institute](#)

Posting: [Pre-Licensed Associates](#)

Introduction: Feeling Good Institute was established in 2010 by a group of Stanford University clinicians mentored by Dr. David Burns, one of the forefathers of [CBT](#) and author of many books, including Feeling Good, The New Mood Therapy. Today, more than 10,000 clinicians have been trained in Dr. Burns' approach at the institute. In addition to our trainings, we provide clinicians a suite of services to support them in their ongoing improvement and help them thrive as private practitioners.

We have designed a training program for supervisees interested in preparing for a career as excellent therapists in private practice using an approach that is both humanistic and client centered as well as goal oriented, data-driven and evidence-based. Our program is suitable for post graduate supervisees primarily within CA and NY States as well as many other states within the USA (Usually AMFTs, ASWs, MHCs, PCCS, and PsyD/PhDs postdocs) who are able to practice using telehealth or in-person therapy sessions. Supervisees are paid for their time and are expected to be available for 10 or more hours of supervised patient care and 2-4 hours of training per week for a period of two years.

Employer: [El Camino Health](#)

Posting: [BHS Intern](#)

Introduction: To provide high-quality acute mental health services to patients and their family members. The goal of these services is to treat the presenting illness and return the patient to a previous or higher level of functioning within the community under the supervision of a licensed therapist.

QUALIFICATIONS:

Master's degree in Marriage & Family Therapy, Masters in Social Work, Psychology Intern, or Professional Clinical Counselor. Current Registration in State of CA as Marriage & Family

Therapy Intern, Associate Social Worker, Psychology intern who is eligible for registration as a psychology assistant, or Professional Clinical Counselor intern.

Oakland, CA/Remote CA

Employer: [La Cheim Health Services](#)

Posting: [Clinical Training Program \(AMFT/APCC/ACSW Mental Health Clinicians\)](#)

Introduction: La Cheim Behavioral Health Services is a non-profit community mental health center. Our [day treatment programs](#) are the centerpiece of our facility. The program provides a Partial Hospitalization Program (PHP) and an Intensive Outpatient Program (IOP) for individual adults. We specialize in treating clients with depression, anxiety, bipolar conditions, grief/loss, complex PTSD, sexual/gender identity formation, and thought disorders. We also address issues associated with chemical dependency, recovery, and relapse prevention.

Employer: [Core Insights](#)

Posting: [Licensed Psychologist](#)

Introduction: Core Insights Psychological Group is seeking talented and dedicated professionals to join our team in the San Francisco Bay Area. Are you a CA Licensed Psychologist that would like to provide virtual and/or in-person psychotherapy in a private practice setting? We are looking for compassionate psychologists to join us, so that, together, we can provide affordable, quality mental healthcare to the Bay Area community. We believe that everyone should have access to affordable mental healthcare. Core Insights was founded with a mission to serve diverse populations by accepting health insurance. Because we accept health insurance, our clients are able to access consistent mental healthcare.

Palo Alto, CA/San Jose, CA

Employer: [Children's Health Council \(CHC\)](#)

Posting: Multiple Positions Below

Introduction: At CHC, we believe in the promise and potential of every child, teen and young adult. Our mission is to transform young lives by providing culturally responsive best-in-class learning and mental health services to families from diverse backgrounds regardless of language, location or ability to pay. We specialize in ADHD, Learning Differences, Anxiety & Depression and Autism.

With our Clinical Services multiple partnerships with Stanford University Behavioral Health department, you'll have the opportunity to work alongside some of the top mental health professionals in Silicon Valley.

- [Clinical Director](#)
- [Postdoc Fellowship](#)
- [Young Child Therapist](#)
- [Neuropsychologist](#)
- [Staff Psychologist](#)
- [Adolescent Dialectical Behavior Therapy \(DBT\) Therapist](#)
- [Child/Adolescent Eating Disorder Therapist \(Ph.D./Psy.D. or LPCC/LMFT/LCSW\)](#)
- [Child & Adolescent Therapist](#)

Santa Ana, CA

Employer: [Project Kinship](#)

Posting: Program Manager (LCSW/LMFT)

Introduction: The mission of Project Kinship is to provide support and training to lives impacted by incarceration, gangs, and violence through hope, healing, and transformation. Responsible for all aspects of program operations including development of programming and adherence to the annual budget.

San Jose, CA

Employer: [AACI](#)

Posting: [Licensed Asylee and Refugee Counselor](#)

Introduction: Are you looking to support local refugees and asylees? AACI's Center for Survivors of Torture (CST) is one part of a larger global consortium of 30 plus members supporting survivors of torture. This program works on a local and national level, educating and advocating nationwide for our clients. Our clients come from all over the world speaking many languages. With our staff speaking over 40 languages and utilizing the Language Line we are able to support clients in their language. AACI provides ongoing training and wellness activities, supporting not just our clients, but our staff as well.

Under the supervision of the Program Manager, the Behavioral Health Licensed Counselor is responsible for providing direct behavioral health services in home, clinic, and field settings. At least 65% of the counselors time will be spent providing direct billable services and supervision.
