

## **October '22 Careers Digest for PAU Alumni**

The Alumni Relations Office will periodically provide relevant job postings that may be of interest to PAU alumni. We encourage you to submit any openings you may have. Please note that a job posting is not an endorsement of the position by Palo Alto University, its Alumni Association, or any representative of the institution. These postings are generous contributions from our community, but have not been vetted by PAU.

### **Los Angeles, CA**

Employer: [The Center for Well Being](#)

Posting: Licensed Clinician (Psychologist, Social Worker, MFT, LPC), or License-eligible Clinician (Hybrid, Part-Time)

Introduction: We engage in psychotherapeutic services for children, adolescents, adults, and families. The population and types of cases we serve include mood and anxiety disorders, OCD, trauma, chronic illness/rare diseases, school-based concerns, failure to launch, neurodiverse populations, and family system considerations, among other high risk presentations. We work in a wraparound model where we frequently case-collaborate and treat the entire system (e.g, parents, individuals, siblings, allied professionals).

Please contact Drs. Stephanie Mihalas and Dorie Weiss with your interest.

Employer: [Crossroads Institute](#)

Posting: [Licensed Psychologists and Post-doctoral Psychological Associates](#)

Introduction: We focus on providing integrated psychotherapy to children and adults, as well as a full range of psychological assessment for all ages, psychiatric care, and bio- and neurofeedback. Our providers enjoy a collaborative, collegial environment with a strong focus on providing ethical and competent services to individuals, couples, and families. This is accomplished, partly, by our regular peer consultation meetings and case consultations, and an openness to innovation and creativity. The practice has an extremely low rate of turnover for both clinical and support

staff, and these openings are due solely to expansion. We currently run long waitlists, and new clinicians have been able to reach a full caseload in a short period of time after joining Crossroads.

### **Palo Alto, CA**

Employer: [Children's Health Council – Palo Alto](#)

Posting: [Various Therapists, Psychologists, and Post-Doctoral Fellows](#)

Introduction: Culture is everything. Collegial teams, across disciplines and across service divisions, offer diverse perspectives to build a care team greater than the sum of its individual members. CHC's supportive staff culture means you always have a seat at the table, you are always learning, and your clients are always the top priority. CHC proudly offers highly competitive benefits to keep you healthy, wealthy and wise. We know families come in all shapes and sizes, and discovering a livable, lovable career environment with the right benefits can be an art.

Employer: [Jewish Family & Children's Services](#)

Posting: [Child and Adolescent Therapist \(Part-time OR Full-time\)](#)

Introduction: From fires to the pandemic, adoption to end-of-life care, and everything in between, Jewish Family and Children's Services is a community resource to meet the many challenges individuals and families face. With over 40 programs and services supporting home care for seniors, therapy for children, youth volunteer programs, services for people with disabilities, and so much more.

## **San Francisco, CA**

Employer: [APA Family Support Services](#)

Posting: [Part-Time Clinical Support Counselor](#)

Introduction: APA Family Support Services (APA) is a San Francisco's based community organization that focuses on preventing and identifying child abuse/neglect/family violence in the community. Our mission is to promote healthy children and families by providing family support services to prevent child abuse and domestic violence and advocate for culturally competent services through education, community building, and leadership development. Our services range from prevention to crisis intervention to community development. We strive for excellence of service in home visitation, case management, parenting education, support groups, parental stress line, community advocacy projects, and counseling for families with children ages 0-18.

Employer: [Habeas Corpus Resource Center](#)

Posting: [Investigators and Litigation Support Assistants](#)

Introduction: The Habeas Corpus Resource Center (HCRC), located in San Francisco, is accepting applications for Litigation Support Assistants (Investigator Track), Investigators, and Senior Investigators. With varying levels of supervision and independence, employees in each of these positions assist in planning, organizing, and conducting investigations related to the representation of HCRC clients on death row in legal proceedings (called habeas corpus proceedings) challenging their convictions and death sentences. Typical duties include collecting and analyzing factual materials, documents, and records about our clients' lives; identifying, locating, and interviewing a broad range of people who knew our clients or were involved in their cases; conferring with attorneys about potential legal issues; and drafting, reviewing, and editing reports, summaries and witness statements.

Employer: [UCSF Faculty & Staff Assistance Program](#)

Posting: [Post-Doctoral Fellowship position open for October 2022.](#)

Introduction: Post-Doctoral Fellows will have the opportunity to work therapeutically with dedicated scientists, physicians, faculty, and staff who strive to make the world a better place. FSAP provides counseling and consultation services to the employees at UCSF and is NOT a student counseling center.

FSAP is an internal Employee Assistance Program that provides individual counseling and organizational consulting services to the employee population at UCSF. Since 1995, FSAP's dynamic training program has helped train highly skilled clinical psychologists in preparation for licensure and career development. Our training program offers a unique opportunity for postdocs to refine their short-term counseling and coaching skills, as well as to learn specialized skills in organizational consultation and intervention. Many of our trainees go on to work in hospital and academic settings, Employee Assistance Programs (EAPs), and in private practice where they provide consultation to business and academic organizations.

Fellows function as integral members of our clinical team. They provide ~15 hours of 1-1 clinical work per week (NO after-hour emergency on-call required) in addition to organizational consultation opportunities. An interest in developing organizational psychology skills in addition to 1-1 therapeutic skills is required.

### San Jose, CA

Employer: [Cielo House Adult Eating Disorder Treatment Program](#)

Positions: [Primary Therapist – Full Time](#)

[Primary Therapist – Part Time](#)

Introduction: **Cielo House** realizes the strength of our practice is our exceptional staff. We support our clinicians in building a thriving and profitable caseload upon a culture of values of innovation, professionalism, and healthy work/life balance.

We offer comprehensive eating disorder treatment at various levels of care, providing treatment for individuals and families affected by eating disorders at all stages of the recovery process. We have locations in Moss Beach, Burlingame, and San Jose, as well as a specialty program for Adolescents in San Jose. Unlike many other treatment environments, each of our programs is set in a comfortable, warm home-like setting, allowing clients to be themselves and feel a sense of safety and community when they are attending treatment. **The San Jose location treats adults struggling with an eating disorder at the Partial Hospitalization & Intensive Outpatient level of care.**

Employer: [Healthy Development Community Clinic/SJSU Research Foundation](#)

Position: [Clinical Services Director](#)

**Introduction:** The Healthy Development Community Clinic (HDCC) promotes equity through holistic wellness for children, youth, and families. This clinic will utilize primary prevention and community outreach and education to serve the community. The HDCC builds on individual, family, and community strengths; connects families with existing resources; and provides culturally and linguistically-responsive, trauma-informed services to meet the wide-ranging needs of children, youth, and families. The HDCC uses an interdisciplinary, team-based approach to lead services through screenings, short-term interventions, outreach and education, and targeted referrals. Services address behavioral health, speech-language and communication development, academic and social success, and training and education for parents and families.

The HDCC clinical services director will oversee clinical services; collaborate closely with SJSU founding faculty; propose and help to evaluate opportunities for interdisciplinary collaborations within SJSU; lead training and supervision for SJSU.

## **Seattle, WA**

Employer: [Thrive for the People](#)

Posting: [Licensed Mental Health Therapist](#)

Introduction: Thrive for the People, PLLC is a high-end group practice providing individual and couples therapy in Seattle, WA. We are located in the Ballard neighborhood. This practice serves clients who identify as helpers, givers, and fixers who are ready to focus on their own mental health needs. Our ideal clients are high functioning, high achieving, psychological minded, and insightful individuals who value mental health and therapy.
